Message from the Town of Claresholm

Each August, the Town of Claresholm is pleased to support Claresholm Fair Days and all the volunteers who make the weekend's activities a reality. Residents and visitors have the opportunity to join together and celebrate our heritage, and to look to the future. Claresholm is a proud small town with many amenities and services to offer our residents. With our proximity to major cities and the mountains, Claresholm is a wonderful place to raise a family or live your golden years. Enjoy Fair Days and this wonderful community we call home!

On behalf of Town Council, I would like to extend a sincere thank you to all the volunteers for all their hard work. We are so proud to represent a community that takes such pride in showcasing our warm small-town hospitality. The Claresholm Fair Board works all year round to ensure that Fair Days is memorable for all. Fair Days would not be the exceptional event that it is without our volunteers. Thank you to everyone for participating!

Doug MacPherson, Mayor
Town of Claresholm

Message from the President

I'd like to welcome you to the Claresholm Fair Days and the Bench Show. The Bench Show gives everyone in the community a chance to display their talent in woodworking, sewing, cooking, etc. We also have a host of other activities like the popular Pet Show, Sand Pile, Petting Zoo, etc.

This past year we were challenged by the reno of the ice surface at the skating arena. With the cooperation of the Town, who let us store our materials at the multi-use building, and the Lions, who graciously shared their space at the Community Centre, we were able to have our show as usual. It was a great example of our community working together.

We like the Community Centre so much because it was closer to the hub of activities. We would like to thank the Lions Club for allowing us to continue to share the space alongside their "Beef on a Bun".

So you can look for us at the new location: the Claresholm Community Centre.

Syd Gray,
President, Claresholm Bench Show

Don't forget the PET SHOW!

No animals allowed INSIDE
the Community Centre
Please!

Friday at 7 p.m.

Outside the front entrance of the
Community Centre.

*Entry fee is

(Collected at the pet show area when
you bring your pet, no tag required)

Everyone welcome!

Claresholm

Where **Community** Takes Root

Claresholm is a wonderful town in which to live, work, raise a family & retire. We have all of the amenities your family could need & have excellent medical services for our young or mature citizens.

With the famous Rocky Mountains & beautiful foothills rising in the west, & abundant crops to the east, Claresholm is truly located “where the wheatlands meet the range.”

The winter climate is highly variable, due to the famous Chinook, a warm southwestern wind sweeping down the eastern slopes of the Rockies which can raise temperatures by as much as 34 degrees celsius in one day!

Want to go swimming? Or try your hand (& your clubs) at our 18-hole golf course? How about ice skating? Curling rink? Walking paths?

Check out the public library, or the downtown business community. Enjoy a stop at the Royal Canadian Legion, or a visit with any of our dedicated service clubs.

Stop in one of our parks (how about our Spray Park?) for a nice summer picnic or just hang around as the kids play in the playground. The list is endless...

From Claresholm Town Council, we welcome you & your family to our community & hope you decide to stay.

SECTION 6 • FLOWERS & PLANTS cont.

Guidelines:

- (a) Individual blooms of flowers such as marigold & calendula are shown with only one open bloom per stem. If an extra bud is present, it must be in the “tight bud” condition so that it will not show colour at the bench show
- (b) With flowers that have multiple blooms, such as sweet peas, stocks or phlox, the more blooms that are open, the better the exhibit
- (c) In some cultural classes, for example, petunia, begonia & pansy, the flower alone is judged; stem & foliage are not considered
- (d) Shallow containers allowing individual placement of the flowers should be used
- (e) Flower varieties should be named if possible
- (f) If a “vase” is indicated, a plastic container, such as a pail, is not a vase
- (g) No commercial elements are to be used in an arrangement
- (h) Please note the number of blooms/stems required for each class
- (i) A bouquet is NOT an arrangement. You collect flowers in hand & drop into a vase; do not arrange.
